- This form is for members of the Trust, who wish to make a lump sum payment to top up their retirement savings.
- The minimum payment is £1,000.
- If you wish to make a payment of less than £1,000, please contact your employer about using their payroll to do this.

- Due to Anti Money Laundering Regulations, it may be necessary for the Administration team to ask additional questions in order to meet the due diligence/verification requirements.
- Do not send us monies until we request payment from you as we will not be able to invest this money until all due diligence is completed.
- For multiple one-off payments though the year, each individual payment needs to follow the full process and have its own set of documentation. Please do not pay monies across until the paperwork and Anti Money Laundering due diligence has been completed on each payment event.
- If you currently hold Enhanced, Fixed Protection, Fixed Protection 2014 or Fixed Protection 2016, this will be lost if you make any new payments.

Payment

Electronic payments can be made directly to the Trustee bank account. We will need to check the account being used before any payment is made, to comply with anti money laundering regulations. To allow us to do this, we need the following information:

Account name:	<input type="text"/>							

If this check fails we will need a certified copy of a bank statement, bank card (showing the account number, sort code and account name), or a cancelled original/certified copy cheque.

We will invest your payment within three working days of receipt.
